

Courses Description

College: Applied Medical Sciences

Department: Medical Laboratory Sciences

Course ID: 501211 **Description:** Anatomy & Histology

Full Course Description:

Course ID: 501221 **Description:** Biochemistry

Full Course Description:

Course ID: 501233 **Description:** Histopathological & Cytological Techniques

Full Course Description:

Course ID: 501241 **Description:** Basic Medical Microbiology

Full Course Description:

Course ID: 501242 **Description:** Immunology

Full Course Description:

Course ID: 501246 **Description:** Epidemiology

Full Course Description:

Course ID: 501252 **Description:** Human Genetics

Full Course Description:

Course ID: 501254 **Description:** Human Embryology

Full Course Description:

Course ID: 501313 **Description:** Endocrinology

Full Course Description:

Course ID: 501316 **Description:** Reproductive Physiology

Full Course Description:

Course ID: 501321 **Description:** Clinical chemistry (1)

Full Course Description:

Course ID: 501322 **Description:** Clinical chemistry (2)

Full Course Description:

Course ID: 501323 **Description:** Instrumental & Chemical Analysis

Full Course Description:

Course ID: 501324 **Description:** Urinalysis & Body Fluids

Full Course Description:

Course ID: 501331 **Description:** Clinical Hematology (1)

Full Course Description:

Course ID: 501332 **Description:** Clinical Hematology (2)

Full Course Description:

Course ID: 501341 **Description:** Clinical Microbiology

Full Course Description:

Course ID: 501342 **Description:** Medical Microbiology For Nursing
