

Courses Description

College: Applied Medical Sciences

Department: Radiography

Course ID: 110508211 **Description:** Radiographic Processing & Exposure

Full Course Description: a

Course ID: 110508214 **Description:** Radiobiology

Full Course Description: f

Course ID: 110508312 **Description:** Image Quality Control

Full Course Description: s

Course ID: 110508313 **Description:** Radiation Safety and Protection

Full Course Description: d

Course ID: 110508315 **Description:** Methods in Patient Care

Full Course Description: g

Course ID: 110508321 **Description:** Imaging Procedure (1)

Full Course Description: h

Course ID: 110508322 **Description:** Imaging Procedure (2)

Full Course Description: h

Course ID: 110508325 **Description:** Nuclear Medicine

Full Course Description: z

Course ID: 110508332 **Description:** Computed Tomography (1)

Full Course Description: c

Course ID: 110508334 **Description:** Magnetic Resonance Imaging (1)

Full Course Description: b

Course ID: 110508341 **Description:** Quantitative Analysis of Medical Images

Full Course Description: m

Course ID: 110508342 **Description:** Digital Imaging

Full Course Description: q

Course ID: 110508353 **Description:** Research Methods in Medical Imaging

Full Course Description: u

Course ID: 110508354 **Description:** Diagnostic Ultrasound

Full Course Description: u

Course ID: 110508355 **Description:** Radiotherapy

Full Course Description: i

Course ID: 110508356 **Description:** Special Topics in Medical Imaging

Full Course Description: u

Course ID: 110508357 **Description:** Computer in Medical Imaging

Full Course Description: k

Course ID: 110508364 **Description:** Molecular Imaging

Full Course Description: j

Course ID: 110508423 **Description:** Imaging Procedure (3)

Full Course Description: k

Courses Description

College: Applied Medical Sciences

Department: Radiography

Course ID: 110508424 **Description:** Imaging Procedure (4)

Full Course Description: l

Course ID: 110508431 **Description:** Cross Sectional Anatomy

Full Course Description: x

Course ID: 110508433 **Description:** Computed Tomography (2)

Full Course Description: v

Course ID: 110508435 **Description:** Magnetic Resonance Imaging (2)

Full Course Description: n

Course ID: 110508443 **Description:** Principles of Diagnostic Radiology

Full Course Description: w

Course ID: 110508471 **Description:** Internship in Medical Imaging (1)

Full Course Description: t

Course ID: 110508472 **Description:** Internship in Medical Imaging (2)

Full Course Description: y

Course ID: 140508111 **Description:** Fundamentals of Medical Imaging

Full Course Description: ششيش

Course ID: 140508212 **Description:** Radiographic image Processing & Exposure

Full Course Description: ششيشش

Course ID: 140508213 **Description:** Principles of Radioactivity

Full Course Description: ششيش

Course ID: 140508221 **Description:** Radiological Imaging Procedures (1)

Full Course Description: سيب

Course ID: 140508272 **Description:** Radiotherapy

Full Course Description: بسبي

Course ID: 140508273 **Description:** Diagnostic Ultrasound

Full Course Description: سيب

Course ID: 140508315 **Description:** Quality Control of Radiological Images

Full Course Description: ئءؤئءء

Course ID: 140508316 **Description:** Methods in Patient Care

Full Course Description: ششيش

Course ID: 140508322 **Description:** Radiological Imaging Procedures (2)

Full Course Description: ششيش
