

Courses Description

College: Educational Science

Department: Curricula & Instruction

Course ID: 301700 **Description:** Curriculum Theory and Design

Full Course Description:

Course ID: 301701 **Description:** Theory and Research in Teaching

Full Course Description:

Course ID: 301702 **Description:** Curricula Evaluation and Analysis

Full Course Description:

Course ID: 301703 **Description:** Contemporary Approaches in Curriculum Planning and Development

Full Course Description:

Course ID: 301704 **Description:** Issues and Special Topics in Curricula

Full Course Description:

Course ID: 301705 **Description:** Instructional Design

Full Course Description:

Course ID: 301706 **Description:** Classroom Teaching Models

Full Course Description:

Course ID: 301707 **Description:** Preparing Teachers and Supervising Them

Full Course Description:

Course ID: 301733 **Description:** Applied Linguistics and TEFL

Full Course Description:

Course ID: 301734 **Description:** Computer Assisted Language Learning

Full Course Description:

Course ID: 301736 **Description:** Miscs and Error Analysis

Full Course Description:

Course ID: 301738 **Description:** Special Problems in Learning and Teaching English

Full Course Description:

Course ID: 301739 **Description:** Current Trend in English Language Curricula

Full Course Description:

Course ID: 301741 **Description:** Current Trends in Mathematics Curricula

Full Course Description:

Course ID: 301742 **Description:** Assement of Teching and Learning Mathematics

Full Course Description:

Course ID: 301743 **Description:** Special Issues and Topics in Teathing Mathematics

Full Course Description:

Course ID: 301745 **Description:** Teaching Mathematics for Grades (9-12)

Full Course Description:

Course ID: 301746 **Description:** Diagnosis and Correction of Mathematics Learning

Full Course Description:

Course ID: 301747 **Description:** The Nature, Philosophy and History of Mathematics

Full Course Description:

Courses Description

College: Educational Science

Department: Curricula & Instruction

Course ID: 301799 **Description:** Thesis

Full Course Description:

Course ID: 2301730 **Description:** Methods of Teaching English Language (1)

Full Course Description:

Course ID: 2301753 **Description:** Contemporary Approaches in Science Curricula

Full Course Description:

Course ID: 2301754 **Description:** Issues and Special Topics in Teaching Science

Full Course Description:

Course ID: 2301755 **Description:** Nature and Philosophy of Sience

Full Course Description:

Course ID: 2301756 **Description:** Practical Experiences in Teaching Science

Full Course Description:

Course ID: 2301758 **Description:** Computer Uses in Education

Full Course Description:

Course ID: 3301750 **Description:** Teaching Sience to Grades (1-8)

Full Course Description:

Course ID: 3301751 **Description:** Teaching Scince to Grades (9-12)

Full Course Description:

Course ID: 3301799 **Description:** Thesis

Full Course Description:

Course ID: 6301799 **Description:** Thesis

Full Course Description:

Course ID: 9301799 **Description:** Thesis

Full Course Description:

Course ID: 110302710 **Description:** Curriculum Theory and Design

Full Course Description: g

Course ID: 110302711 **Description:** Theory and Research in Teaching

Full Course Description: hh

Course ID: 110302712 **Description:** Curricula Evaluation and Analysis

Full Course Description: hh

Course ID: 110302713 **Description:** Contemporary Approaches in Curriculum Planning and Development

Full Course Description: kk

Course ID: 110302714 **Description:** Issues and Special Topics in Curricula

Full Course Description: m,m,

Course ID: 110302720 **Description:** Teaching Sience to Grades (1-8)

Full Course Description: f

Course ID: 110302721 **Description:** Teaching Scince to Grades (9-12)

Full Course Description: v

Courses Description

College: Educational Science

Department: Curricula & Instruction

Course ID: 110302722 **Description:** Assessment of Science Teaching and Learning

Full Course Description: h

Course ID: 110302723 **Description:** Contemporary Approaches in Science Curricula

Full Course Description: fgh

Course ID: 110302724 **Description:** Issues and Special Topics in Teaching Science

Full Course Description: j

Course ID: 110302725 **Description:** Nature and Philosophy of Sience

Full Course Description: h

Course ID: 110302726 **Description:** Practical Experiences in Teaching Science

Full Course Description: gyj

Course ID: 110302730 **Description:** Teaching English Language (1)

Full Course Description: a

Course ID: 110302731 **Description:** Teaching English language (2)

Full Course Description: s

Course ID: 110302732 **Description:** Evaluation of Teaching English Language

Full Course Description: ftg

Course ID: 110302733 **Description:** Applied Linguistics and TEFL

Full Course Description: ff

Course ID: 110302734 **Description:** Special Topics in English Language Teaching

Full Course Description: sd

Course ID: 110302735 **Description:** Contemporary Approaches in English Language Curricula

Full Course Description: h

Course ID: 110302736 **Description:** Error Analysis and English Writing

Full Course Description: g

Course ID: 110302737 **Description:** First and Second Language Acquisition

Full Course Description: d

Course ID: 110302740 **Description:** Teaching Mathematics Grades (1-8)

Full Course Description: '

Course ID: 110302741 **Description:** Current Tends in Mathematics Curricula

Full Course Description: fgh

Course ID: 110302742 **Description:** Assement of Teching and Learning Mathematics

Full Course Description: rtyh

Course ID: 110302743 **Description:** Special Issues and Topics in Teathing Mathematics

Full Course Description: fg

Course ID: 110302744 **Description:** The Nature,Philosophy,and History of Mathematics

Full Course Description: h

Course ID: 110302745 **Description:** Teaching Mathematics for Grades (9-12)

Full Course Description: gg

Courses Description

College: Educational Science

Department: Curricula & Instruction

Course ID: 110302746 **Description:** Diagnosis of Mathematics Learning Difficulties and Remediation

Full Course Description: hh

Course ID: 110302755 **Description:** Instructional Design

Full Course Description: rfh

Course ID: 110302758 **Description:** Computer Uses in Education

Full Course Description: f

Course ID: 110302777 **Description:** Preparing Teachers and Supervising Them

Full Course Description: g

Course ID: 110302788 **Description:** Research Project

Full Course Description: jn

Course ID: 110302790 **Description:** Comprehensive Exam

Full Course Description: a

Course ID: 110302799 **Description:** Thesis

Full Course Description: tfg

Course ID: 1803021710 **Description:** Curriculum Theory , Planning and Development

Full Course Description: شش

Course ID: 1803021711 **Description:** Teacher Preparation and Supervision

Full Course Description: شش

Course ID: 1803021712 **Description:** Curriculum design and teaching

Full Course Description: ششش

Course ID: 1803021714 **Description:** Models of Classroom Teaching

Full Course Description: ششش

Course ID: 1803021715 **Description:** Theory and Research in Teaching

Full Course Description: شش

Course ID: 1803021716 **Description:** Curriculum Evaluation and Analysis

Full Course Description: ششش

Course ID: 1803021720 **Description:** (1-8) Teaching Sience to Grades

Full Course Description: شش

Course ID: 1803021721 **Description:** (9-12) Teaching Science to grades

Full Course Description: ششش

Course ID: 1803021722 **Description:** Assessment of Science Teaching and Learning

Full Course Description: شش

Course ID: 1803021723 **Description:** Contemporary Trends in Science Curriculum

Full Course Description: شش

Course ID: 1803021724 **Description:** Issues and Special Topics in Teaching Science

Full Course Description: شش

Course ID: 1803021725 **Description:** Nature and Philosophy of Sience

Full Course Description: شش

Courses Description

College: Educational Science

Department: Curricula & Instruction

Course ID: 1803021726 **Description:** Hands-on Experiences in Teaching Science

Full Course Description: شش

Course ID: 1803021727 **Description:** Problem solving and scientific thinking

Full Course Description: ششش

Course ID: 1803021730 **Description:** (1-8) Teaching Mathematics for Grades

Full Course Description: شش

Course ID: 1803021731 **Description:** Current Trends in Mathematics Curriculum

Full Course Description: شش

Course ID: 1803021732 **Description:** Assessment of Teaching and Learning Mathematics

Full Course Description: شش

Course ID: 1803021733 **Description:** Special Issues and Topics in Teaching Mathematics

Full Course Description: شش

Course ID: 1803021734 **Description:** (9-12) Teaching Mathematics for Grades

Full Course Description: شش

Course ID: 1803021735 **Description:** The Nature,Philosophy,and History of Mathematics

Full Course Description: شش

Course ID: 1803021736 **Description:** Diagnosis and Correction of Mathematics Learning Difficulties and Remediation

Full Course Description: شش

Course ID: 1803021737 **Description:** Problem solving and mathematical thinking

Full Course Description: شش

Course ID: 1803021740 **Description:** (1) Arabic Language Teaching Methods

Full Course Description: شش

Course ID: 1803021741 **Description:** (2) Arabic Language Teaching Methods

Full Course Description: سس

Course ID: 1803021742 **Description:** Evaluation of Learning and Teaching the Arabic language

Full Course Description: شش

Course ID: 1803021743 **Description:** Special Issues and Topics in Teaching Arabic Language

Full Course Description: شش

Course ID: 1803021744 **Description:** Miscue and Error Analysis in Arabic Language

Full Course Description: شش

Course ID: 1803021745 **Description:** Applied Linguistics and Arabic Language

Full Course Description: شش

Course ID: 1803021746 **Description:** Current Trends in Arabic Language Curriculum

Full Course Description: شش

Course ID: 1803021747 **Description:** Teaching Arabic Language Systems

Full Course Description: شش

Course ID: 1803021750 **Description:** (1) English Language Teaching Methods

Full Course Description: ششش

Courses Description

College: Educational Science

Department: Curricula & Instruction

Course ID: 1803021751 **Description:** (2) English Language Teaching Methods

Full Course Description: شش

Course ID: 1803021752 **Description:** Evaluation of Learning and Teaching the English Language

Full Course Description: شش

Course ID: 1803021753 **Description:** Miscue and Error Analysis in English Language

Full Course Description: ششش

Course ID: 1803021754 **Description:** Applied Linguistics and TEFL

Full Course Description: ششش

Course ID: 1803021755 **Description:** Special Issues and Topics in Teaching English Language

Full Course Description: ششش

Course ID: 1803021756 **Description:** First and Second Language Acquisition

Full Course Description: شش

Course ID: 1803021757 **Description:** Current Trends in English Language Curriculum

Full Course Description: شش

Course ID: 1803021788 **Description:** Research Seminar

Full Course Description: شش

Course ID: 1803021789 **Description:** Research Project

Full Course Description: ششش

Course ID: 1803021790 **Description:** Comprehensive Exam

Full Course Description: شش

Course ID: 1803021799 **Description:** Thesis

Full Course Description: ششش

Course ID: 1803023799 **Description:** Thesis

Full Course Description:

Course ID: 1803026799 **Description:** Thesis

Full Course Description:

Course ID: 1803029799 **Description:** Thesis

Full Course Description:

Course ID: 2203021710 **Description:** Curriculum theory and design

Full Course Description:

Course ID: 2203021711 **Description:** Research Methods in Curriculum & Instruction

Full Course Description:

Course ID: 2203021712 **Description:** Design of Technology Supported Learning Environments

Full Course Description:

Course ID: 2203021716 **Description:** Curriculum Analysis, Evaluation & Development

Full Course Description:

Course ID: 2203021719 **Description:** Teacher training and professional development

Full Course Description:
